for a wooden storage building; the Full planning application can be found under reference: DC/22/1518/AG1 under the below link.

[Simple Search \(westsuffolk.gov.uk\)](https://www.westsuffolk.gov.uk)

The Clerk went back to Enforcement with the following queries, however the Officer is on leave until 15th May 2023, so no response or update on these queries has yet been received;

1. What is the difference between the accepted application, and the previously rejected application DC/22/0681/AG? The building approved seems larger than the one refused.
2. Can you advise whether the applications were submitted to the Parish Council for consultation, and if not, why?
3. Also, we have previously expressed to the LPA concerns over the potential danger of the entrance of this site. This was under investigation by Nick Tollit (see below correspondence with Susan Glossop from Nick Tollitt) planning enforcement officer, however we were not informed of a resolution or ever given any update on this matter. I'm sure the planning office has retained and referenced its notes prior to any approval/enforcement investigation, perhaps you could share this with us.

Councillors Reports & Items for Future Agendas

Cllr.
