PUBLIC FORUM

Member of the public raised the PC awareness to the issues noted in letters dated 9th/11th Jan. Resident would like PC to apply to the highways for the byway at the back of Hall Close to be made resident access only. Will introduced himself and advised what has been done so far, Will noted the work actioned so far with the previous Police fines etc. Temp restriction potentially being looked at by Claire Dixon across all byways as many other villages suffering from the same issues, Lackford and Culford. County Council who are responsible for the byways, A suggestion was mentioned around an extra ordinary meeting to discuss the issues raised in said letter, the Police and Colin Noble (Suffolk County Councillor) would also be invited. Residents were advised to capture as much evidence as possible, photographs dated, recordings or diary of dates and times. Darren advised re the quiet lane and that the next option would be to push for the 20mph but this isn't as yet gone through Parliament. Footpaths between Ramparts field and the byways also being used, vehicles are now also passing over a protected verge, SCC are involved in this. A1101 has been the motorbike racetrack for years, Susan has previously raised this with the Police Commissioner – Susan will request he attend the extra ordinary meeting once the date has been agreed. Suffolk Police website, you can raise awareness to this by uploading the evidence to this website, this will create a hotspot of where the demand is for Police focus and will help when the CLO and Council raise concerns.
