20/21.25 CONFIRMATION OF MINUTES

The Minutes of the meeting, held on 24 November 2020, were recorded as a true record and will be signed with a wet signature once able to meet.

20/21.26 ANTI-SOCIAL BEHAVIOUR

Will Wright Communities and Liaison Officer, West Suffolk Council explained that he had spoken to Rural Policing, Rally Moto, Highways etc and had also visited the sites where there is an issue. He agrees that there is an issue, however as it covers neighbouring parishes we need to be very conscious of finding a way to manage this and not to just displace this on to another area. So, after various options were discussed it was thought best to manage this in a holistic approach and start from the beginning. So, he will set up a virtual meeting with stakeholders, Moto Rally, County Council etc. This way we could tackle the problem by working together.

20/21.27 **QUIET LANES**

Icklingham Parish Council are working with Tuddenham Parish Council on this project. And after letters to residents and a virtual presentation the response to this has been very positive. The application to Suffolk County Council has been submitted and District Councillor Susan Glossop has agreed to support this with a grant up to the value of £250.00 pounds for the cost of signs. We now await to hear as to the next steps.

20/21.28 **PLAYAREA**

The works to repair fencing and gates at the playing field were discussed and it has been agreed to accept the quote.

Also quotes to replace the Basketball Court surface, move the location of the Basketball post to reduce the loss of balls into neighbouring gardens and to replace matting in the playground area were also agreed. However, it was discussed that the Clerk will apply for funding towards this project to Elveden Estates and Alice Dix Charity.
