KNOCK

Don't become a victim of a bogus caller.

A bogus caller can be a man, woman - or even a child.

The most common tricks they use to get into people's homes and steal money or valuables are:

- **claiming to be from the waterboard.**
- **asking to use the toilet or telephone.**
- **claiming to have lost a ball in the garden.**
- **offering to do work on the house, such as gardening or building work.**
- **claiming to be from a charity, the local council or the police.**

If you are concerned about a caller at your door, call the police on 999.
