### What's Shake It Out all about?

Suffolk Waste Partnership's new #ShakeItOut campaign aims to reduce spoiled recycling across the county by encouraging residents to keep their recycling clean, dry and loose when adding it to their Blue wheelie bins, without the use of black sacks and plastic bags. Why are black sacks and plastic bags a problem? The recycling handlers can't see what's inside them and they are often full of rubbish or other non-recyclable items.

Items that contributed to spoiled recycling collections included:

- Materials that were not clean and dry, or contained food and drink residue
- Rubbish sacks or plastic bags containing recycling
- Non-recyclable items, such as nappies and food waste

We know that recycling can be confusing but we try to make it as easy as possible by collecting it all in one bin without the need for sorting. Recycling should always be placed loose into recycling bins - no bags please!

They are one of the main causes of spoiled recycling. Last year 26% of the contents of Suffolk's recycling bins was unable to be processed. As it is impossible to know what bags placed in recycling bins contain, they are removed from recycling at the sorting facility and won't get recycled. But sometimes the bags can split before they are removed and their contents can spill out and spoil good recycling, and that is simply a waste! #ShakeItOut will be popping up on social media, at advertising sites across Suffolk and on the radio. Find out more about the campaign <http://www.suffolkrecycling.org.uk/shake-it-out> and don't forget to check out the catchy campaign video with a very well known tune.....feel free to sing along when you are doing your recycling ! Don't forget - Clean - Dry - Loose !

### Community Public Access Defibrillator – VOLUNTEER NEEDED!

The Parish Council supplies a Community Defibrillator, which is located in the telephone kiosk outside the pub by the wooden shelter.

We are looking for a volunteer or two, to take on the responsibility of checking the Defibrillator monthly, to ensure it is in working order. This person will enter the weekly checks onto the Webnos website and will also act as contact for the Ambulance Service, if the Defibrillator is used, in order for it to be collected and returned and cleaned and re-set. Full training will be given on how to check and set up the Defibrillator. Please be assured that you will not be required to attend any emergency or administer First Aid or use the Defibrillator, should you volunteer.

If you are interested, please contact the Clerk icklinghampc@gmail.com or telephone 07712 232920.

### Icklingham Community Group

The Parish Council has had enquiries about trying to re-start the Icklingham Community Group, to perhaps offer support, advice and help to single, elderly or vulnerable residents. If you would be interested in becoming a volunteer on the group, please contact the Clerk icklinghampc@gmail.com or telephone 07712 232920.

### ICKLINGHAM PARISH COUNCIL S.137 DONATIONS FOR COMMUNITY GROUPS

The Parish Council has a pot of funds that allows them to give donations to Community Groups/Organisations, to assist them with their running costs etc. Due to the Pandemic, we realise that many groups have been unable to meet for some time, therefore if your group is now in a position to meet again and you need assistance with any running costs associated with this, please contact the Clerk (address and email details on page 3) to apply for a donation.

## STOWMARKET CHORALE SINGS ROYAL ANTHEMS BY HANDEL

Following the Coronation of King Charles III and Queen Camilla, Stowmarket Chorale will take you on another journey of pomp and majesty through a performance of 'Handel's Monarchs'. The venue is St. Mary's Church, Brettenham Rd, Buxhall, IP14 3DJ at 7.30 p.m. on Saturday, 17<sup>th</sup> June. The programme will be three of Handel's 'Four Coronation Anthems' and the anthem for Queen Caroline, 'The Ways of Zion Do Mourn'.

Handel's *Coronation Anthems* were composed for the Coronation of King George II and Queen Caroline in 1727 at Westminster Abbey. The most famous of these, *Zadok The Priest*, has been heard at each successive coronation of every British monarch, at the Anointing. The music may be familiar from the Coronation of King Charles III and through its use as the theme tune of the Champions League anthem. Its biblical text is drawn from the first chapter of 1 Kings. Zadok was High Priest to King David and anointed Solomon on his accession to the throne.

Tickets are £18 via [tickets@stowmarketchorale.org.uk](mailto:tickets@stowmarketchorale.org.uk) or 07972 668180

Due to unforeseen circumstances, I need a lift on week days from Icklingham to Thetford and back, arriving around 08.30 in Thetford and leaving after 17.00.

I would of course happily contribute to fuel costs. If you can help, please text/message me on 07982 843990.

Many thanks Delia Smith
